### SUMMER 1993

The Catalan film **Summer 1993** has delighted audiences at film festivals around the world, is beloved by film critics with a 100% on Rotten Tomatoes, and was Spain's official entry to the 2018 Academy Awards. See this beautiful film this weekend at the Laemmle Royal in Los Angeles and the Playhouse 7 in Pasadena

Six-year-old Frida looks on in silence as the last objects from her recently deceased mother's apartment in Barcelona are placed in boxes. Although her aunt, uncle and younger cousin Anna welcome her with open arms, it's only very slowly that Frida begins to get used to her new home in the countryside. SUMMER 1993 is punctuated by moments of youthful exuberance and mature ruminations. This coming of age drama, set amongst summery hues, is an extraordinarily moving snapshot of being a child in an adult world, anchored by flawless performances by its two young stars.
